

# InterWeave Smart Solutions

## INTERWEAVE NEWS, Q3 2012

**Welcome** to our Q3 2012 newsletter - to help you keep up with the rapidly evolving Cloud Integration Solutions marketplace.

Q3 again has been a season of firsts, with continued accomplishments, challenges and exciting news to share.

The **InterWeave Smart Solutions** is the result of the tireless efforts from our product development team. **Smart Solutions** provides a

self-service approach, selecting the objects, data entities and data relationships they want with a series of point and clicks.

**Smart Solutions** are part of the **InterWeave Solutions Portal (ISP)**, where customers can now develop integration solutions in a self-service approach; selecting the objects, data entities and data relationships they want with a series of point and clicks. **Smart Solutions** are hosted at Rackspace Managed Services and are immediately available. Go to [www.interweave.biz](http://www.interweave.biz) — top navigation bar—right side—select Login.

**Smart Solutions** deliver a complete configurable Solutions to integrate today's popular business applications; you configure, test, run. An alternative to inefficient program and consultant-based approaches, our next generation web-based Solutions are powerful yet easy to use, extremely affordable, and deploy in just days.

### In this issue:

- ◆ **SugarCRM Smart Solutions** — We have completely revamped our SugarCRM to QuickBooks Solution into two feature sets; Account Receivable features and Accounts Payable features, by model, which makes your model selection quite easy. New features include Bills, Checks, Deposits, Credits, Account (COA), Journals and Vendor Credits—now processed out of SugarCRM to your QuickBooks. In addition, the ACH & Credit Card Payment Gateway is now available.
- ◆ **MS Dynamics CRM Solutions** — Our MS Dynamics CRM Solution was also revamped, in the same style described above for SugarCRM, with the ACH & Credit Card Payment Gateway now available. We are continuing to build the functionality out in our Dynamics CRM Solution.
- ◆ **Oracle Fusion CRM Solutions** — We are proud to announce we have become partners with Oracle and have begun the deployment of the Oracle Fusion CRM to QuickBooks Solution with the ACH & Credit Card Payment Gateway. Fully featured like the other two Solutions described, we look forward to working with Oracle.
- ◆ **InsureVue by Click Capital** — We have been working in the background with Click Capital on the InsureVue\_QuickBooks Solution which is now available. InsureVue is a web based insurance management platform that allows managing general agencies and brokers administering programs to manage their specialty P&C commercial products. .

### INTERWEAVE PREFERRED PARTNERS

**TrappOnline's "My Accounting Cloud QuickBooks Hosting" continues to rack up customers who require dedicated QuickBooks hosting with seamless integration to their CRM applications.**

QuickBooks hosting is now available for **"InterWeave QuickBooks Solution"** customers by Trapp Online, LLC.

Integration Technologies, Inc. (IT), the market and technology leader in on-demand Solutions Integration, continues to expand their relationship with Trapp Online, LLC, a premier provider of online accounting solutions for small to mid-sized businesses with their **"My Accounting Cloud QuickBooks Hosting"** service. The reliability, security & cost efficiency of multi-user, full-featured QuickBooks remote access makes My Accounting Cloud's QuickBooks Hosting service an easy decision for business & financial professionals.

"Trapp Online's **"My Accounting Cloud"** offers excellent value, unparalleled customer service, and superior product quality," said Gregory Forshey, President, Trapp Online. "My Accounting Cloud QuickBooks Hosting Service conveniently offers each client multi-user, full-featured QuickBooks remote access. Files for financial professionals are stored on remote, secure, state of the art servers, where clients can access their data from a computer anytime, anywhere with an internet connection," said Forshey.

"Partnership with Trapp Online offers our customers extended options regarding to their QuickBooks," said Bruce Magown, CEO, Integration Technologies. "Hosting with Trapp provides 24/7 support, security, backup and world-wide access – at extremely reasonable price points." We look forward to working with Gregory and his team," said Magown.

"Regarding our **Smart Solutions**, you don't need to be a technical resource, analyst or developer. We supply the **Smart Solution**, the servers, the solution specialist personnel, but most important; we supply the application knowledge at a process, data and technical level through years of working with them - in configurable form." Said Bruce Magown, CEO of Integration Technologies, Inc. This is available today. There are a variety of **InterWeave Smart Solutions** available; from CRM, Financial, ERP, eCommerce, Billing, Payment Gateways, Telephony and more.
