

InterWeave Smart Solutions

INTERWEAVE NEWS, Q4 2010

Welcome to our Q4 2010 newsletter - to help you keep up with the rapidly evolving Cloud Integration Solutions marketplace.

We continue to push forward in Q4, with accomplishments, challenges and exciting news to share.

The **InterWeave Smart Solutions** is the result of the tireless efforts from our product development team. **Smart Solutions** provides a self-service approach, se-

lecting the objects, data entities and data relationships they want with a series of point and clicks.

Smart Solutions are part of the **InterWeave Solutions Portal (ISP)**, where customers can now develop integration solutions in a self-service approach; selecting the objects, data entities and data relationships they want with a series of point and clicks. **Smart Solutions** are hosted at Rackspace Managed Services and are immediately available. Go to www.interweave.biz — top navigation bar—right side—select Login.

Smart Solutions deliver a complete configurable Solutions to integrate today's popular business applications; you configure, test, run. An alternative to inefficient program and consultant-based approaches, our next generation web-based Solutions are powerful yet easy to use, extremely affordable, and deploy in just days.

In this issue:
